HEALTH, SAFETY AND ENVIRONMENTAL PROTECTION POLICY

AUSTRALIA MARINE SERVICES Pty Ltd ('A.M.S. Tugs & Barges') places the highest priority on Safety & Environmental Protection. The Company's personnel at all levels, both ashore and on-board the ships shall be fully committed, competent and motivated to fulfill the objectives of:

- Providing safe practices in ship operation and a safe working environment
- Establishing safeguards against all identified risks
- Continuously improving their safety management skills of shore and shipboard personnel, including preparing for emergencies related to both safety and environmental protection

To meet this requirement, *A.M.S. Tugs & Barges* has embraced the IMO's International Safety Management (ISM) Code Requirement, to ensure that the Company:

- Will comply with mandatory rules & regulations
- Takes into consideration all applicable codes, guidelines and standards recommended by the IMO, administrations, classifications societies and maritime industry organizations

Safety is a concern to all and has no rank barriers. To this reason, the management is committed to making all personnel more safety conscious and encourages personnel at all levels to become pro-actively involved in identifying possible hazards, implementing preventive measures to overcome hazards, implementing corrective action/s and constantly monitoring all facets of their working environment to ensure that safety condition prevails.

Learning is a never ending journey to the road of excellence and effective training is fundamental to the Company's business and its safety culture. As our standards improve, new goals and targets will be set; to which all personnel shall strive to attain.
